

# EPOXY GROUTING WORKSHOP

**MASTERING TILE INSTALLATION WITH EPOXY**

## Workshop Objective

Epoxy grout is the most powerful variety of grout when installing tile, due to its superior durability and stain resistance. When installed properly, epoxy grout is completely waterproof and will last for decades. It is the most difficult grout to install. Participants will get hands-on experience working with Epoxy.

## Workshop Overview

Our commitment is to maintain the highest industry standards that is why we offer a comprehensive training program designed to teach participants how to apply epoxy grout and all aspects of epoxy. They will be introduced to surface preparation, materials, mixing and installation procedures, and safety.

This is a two day long workshop held at Craft & Trade Academy and directed by our instructor leader.

## Participants

Professionals and apprenticeship students that are interested in developing epoxy grouting skills.

## Program Dates

November 1st and 2nd, 2022

January 30th and 31st, 2023
