

# TILE ART PROGRAM FOR KIDS

**MOSAIC FUN FOR THE LITTLE ONES**

## Workshop Objective

Kids love making art. The fascinating world of mosaic art combines skills from other arts. Working with Mosaics includes the color theory and color combination from the art of painting, shaping and sculpting skills from the art of sculpture, and problem-solving skills.

## Workshop Overview

The Tile Art Program for kids offers different opportunities to explore in mosaic design and building. Working with a professional artist, kids will create and design their own masterpieces from a wide range of colored tiles, smalti, glass, and mirrors in a supervised environment. During this program, students will be introduced to cutting techniques, different materials, color theory, safety procedures, and design.

## Participants

Craft & Trade Academy offers an after-school Mosaic Art Class for kids of all ages interested in learning and developing art skills.
