

TRADITIONAL MOSAIC WITH SMALTI

A WORKSHOP ON DIFFERENT MOSAIC TECHNIQUES

Workshop Objective

Craft & Trade Academy wants to present the traditional mosaic program, where students achieve the skills of different methods and techniques of crafting Mosaics. Students will learn a solid understanding of using traditional techniques working with the study hammer and Hardie.

Everything Included

The program includes an overview of the materials, techniques, and hands-on experience from the design, creation, and installation of mosaics. The classes are run by experienced artists who have a real passion for their artwork.
